WE OFFER YOU THREE DIFFERENT SURVEILLANCE PLANS TO CHOOSE FROM

Plan 1 is the best choice: **Our video-or-free plan** has to obtain video on your claimants, or the assignment is 100% free. **No risk to you or your clients.** Our only requirement is you have to furnish our agency with a good claimant address. **Price is \$2,900**

Plan 2 is **our 24-hour block of surveillance time plan.** Surveillance is the art of waiting. This is why we will perform 2-days of 12-hour surveillances on your claimants. Wait long enough and your claimants will be active. **Price is \$2,400**

Plan 3 is **our one day 12-hours on site surveillance plan.** We will work from 6 am to 6 pm. Then you can decide if you want further surveillance on your claimant. How active are your claimants? **Find out. Price is \$1,200**

Instead of resting at home, the claimant is out playing tennis.

Instead of resting at home, the claimant is out shopping.
